

The W Family

Dear birth parent(s),

We want you to know how incredible you are. We can only imagine how difficult this decision must be and we truly admire your strength and courage. Thank you for choosing life and love for the little one you are carrying.

Whether or not you choose our family, know that we are rooting for you and praying for you often. Thank you for taking time to learn about our family!

Love,

The W Family

OUR STORY

We met at church in 2013 and began dating the following year. We were married (outside) in the summer of 2016 on what was probably the hottest day of the year.

Our faith plays a very important role in our relationship. Our faith teaches us the importance of loving and putting others first. This helps to keep our marriage strong.

We are very supportive of each other. We have found that communication, trust, and patience are very important when it comes to a healthy marriage relationship.

We are both looking forward to growing a family full of love and support!

All About Kayla

By Tony

Kayla is a dedicated and loving mother and wife. She always prioritizes the family above everything else and loves going on adventures as a family. She has her bachelors degree in Developmental Psychology and masters degree in Family Counseling. She would like to one day use her degrees to help families in a professional setting. For now she's enjoying being a stay at home mom. Kayla has a deep love for music and is always listening and dancing around to it.

In her spare time she enjoys reading, gardening and baking.

All About Tony By Kayla

Tony is a wonderful husband and father. He is loving, hardworking, and never fails to make us laugh. He is so selfless and is always willing to help others. Tony has his bachelors degree in Elementary Education but is currently working as a supervisor for a large international company. In his free time he enjoys fishing, working on cars, cooking, and playing his guitar.

Our daughter, Jovie,
was born in 2019.
She is silly, sweet,
and absolutely loves
being a big sister!
Her favorite things
are reading, dancing,
and playing outside.

Our youngest daughter, Halen, was born in 2023. She was placed with our family as soon as she was born and we were blessed to officially adopt her when she was 6 months old. She is our wild child- she loves to run, climb and play with her big sister. She has the best belly laughs and brings so much joy to our family!

OUR HOME

We have lived in central Iowa for over 7 years. Our home is located in a very family friendly neighborhood full of parks, trails, and friends to play with.

Our favorite things to do as a family include travelling, being outdoors, going for walks, listening to music, baking, and playing with our dog.

TONY'S FAMILY

Tony's parents have been married for 40 years. They live in Ghana, West Africa where they are missionaries. They have recently opened a school for the children in their village.

Tony has two sisters and two brothers. Three of his siblings are married with children. His siblings live in many different parts of the country, but we FaceTime often and usually get together for a beach vacation once a year.

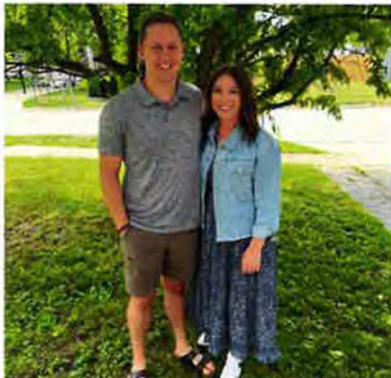

Tony's family is very loving and energetic and they are very excited to welcome more babies into the family!

KAYLA'S FAMILY

Kayla's parents have been married for almost 38 years. Kayla has a sister and two brothers. We live close to her family and see them often. They are very kind and easy going. Kayla's family is looking forward to adding another grandchild/niece or nephew (that they can spoil) to the family.

PARENTING

We both have quite a bit of experience working with children. Kayla worked as a teacher for five years as well as a nanny for several years. Tony has training in elementary education and is very involved in children's ministries at our church.

We believe it is our role as parents to guide, support and love our child/children unconditionally. We hope to raise children who are kind and understanding.

OUR FAITH

God is a very important part of our lives. Our view of family stems from Christ's love of the church. It is that kind of unconditional love we hope to apply to raising our family.

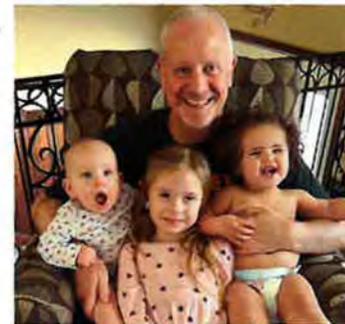

WHY ADOPTION?

We have always known we wanted to adopt- we actually talked about it on one of our first dates! After two very difficult pregnancies and a late term miscarriage, we felt that God was leading us to begin our adoption journey.

We hope to support/encourage the birth parent(s) in anyway we can. We are open to having ongoing communication with the birth parent(s) throughout the pregnancy and the child's life.
